## **IMPORTANT NOTICE: NEW RULES ABOUT VACCINATIONS**

The Italian Ministry of Health has introduced new rules about **compulsory vaccinations for students aged between 0 and 16.**

**Vaccinations are free** and families have to go to their ASL for information about when and where they can ask for the administration of the vaccines.

Families of students who are going to attend **nursery school** have to provide the necessary documents about vaccinations **not later than 10<sup>th</sup> September.**

Families of students who are going to attend **primary and secondary school** have to provide the necessary documents about vaccinations **not later than 31<sup>th</sup> October.**

The families of the students of Concesio's school can send the documents to the following e-mail addresses:

Nursery school: [vaxaaconcesio@gmail.com](mailto:vaxaaconcesio@gmail.com)

Primary school: [vaxeeconcesio@gmail.com](mailto:vaxeeconcesio@gmail.com)

Secondary school: [vaxmmconcesio@gmail.com](mailto:vaxmmconcesio@gmail.com)

In the subject of the mail they have to specify:

-name of the school;

-surname and name of the student;

-class/section of the student.

**The compulsory documents** requested by the school are:

- 1) the document named *libretto vaccinale* (booklet of vaccinations) indicating the administration of the requested vaccines,
- 2) a replacement statement using the attached form (see *ALLEGATO 1* on the notice in Italian).

**Instead of documents 1 and 2** the families can provide:

- a) the document stating the exemption for immunization;
- b) the document stating the omission or deferral of the administration of the vaccines;
- c) the document (or a self-declaration) stating the appointment at the ASL for the administration of the vaccines.
